"The Greatest Battle On Earth"

Visit "[The Greatest Battle On Earth](#)" on MotoLyrics.com

This is the greatest battle for planet Earth.
Now, is time for combat.
You've got to show your worst.

Chances are getting slighter,
So go pull an all-nighter.
The future's looking brighter,
When you're playing Street Fighter.

The blood of warriors is running inside your face.
Victory and honor,
Your power:
It will reign.

You are the one.
Go arm your gun.
Your work's not done,
'Til you have won.

This is the greatest battle for planet Earth.
Now, is time for combat.
You've got to show your worst.

Chances are getting slighter,
So go pull an all-nighter.
The future's looking brighter,
When you're playing Street Fighter.
