I'm gonna shoot you with a vomit missile.
You wouldn't trade me your penny whistle.
I don't buy your weak dismissal.
I'm gonna shoot you with a vomit missile.

Ooo-ooo-ooo-oooooo.
A vomit missile.

My vomit missile's gonna terrorize you.
I'll annihilate you, fucker, don't misconstrue.
This retribution is past overdue.
Trail of destruction every place I pass through.

Ooo-ooo-ooo-oooooo.
A vomit missile.

Hey, I just wanted to go to Chuck E. Cheese's.
You didn't have to go run me down in your Ford
Areostar.
Hey, I'm talking to you.
Some things are more important than wave particle
duality or your next haircut.

You only have one shot.
You gotta take your chance.

I'm gonna shoot you with a vomit missile.
You wouldn't trade me your penny whistle.
I don't buy your weak dismissal.
I'm gonna shoot you with a vomit missile.

Ooo-ooo-ooo-oooooo.
A vomit missile.
