Sad and Deep As You

by Dave Mason

Lips that are as warm could be

Lips that speak too soon

Lips that tell a story

Sad and deep as you

Smile that's warm as summer sun

Smile that gets you through

Smile that tells a story

Sad and deep as you

Eyes that are the windows

Eyes that are the view

Eyes that tell a story

Sad and deep as you

Tears that are unspoked words

Tears that are the truth

Tears that tell a story

Sad and deep as you
