I know you well and I believe

You've got strength, to do most anything

And every time, I'm in your arms

I know I'm somewhere, that's safe from harm, but

Chorus:

You don't have to be the strong one all the time

Let me be the one you lean on, ease your mind

It's not you against the world all alone

I'm here by your side

You don't have to be the strong one every day

Let me do my part, don't carry all the weight

Just remember you've got me

You don't always have to be.....the strong one

You hide your pain, so well from view

But that's one thing, that you don't have to do

You cry inside, where no one sees

I'll dry those tears, if you just let me

(Chorus)

Just remember you've got me

You don't always have to be.....the strong one
