Who was I dreaming of this morning

Who has that sweet and gentle touch

Who is the boy I can't get off my mind

Who am I wanting so much

I ask myself could this be true

Could it be love that's breaking through

What's the reason I feel like I do

Chorus:

You and only you

You and only you

Who makes my heart beat faster

Who feels so good here in my arms

Who is the boy that I'm so crazy about

Who's shown me all his hidden charms

And who has got me mesmerized

Each time I look in his eyes

Who has got me hooked on his love too

Repeat Chorus Twice

Who's gonna love me more tomorrow

With love that's stronger than today

Who can I trust with this old heart of mine

Who is the boy I want to stay

Repeat Chorus Twice
