I try

God knows I try

It seems very clear to me, that I try

But it's not clear to you, that I do

You don't know what I mean, do ya?

You don't know what I mean

I mean

I mean I try

God knows that I mean to try

I mean it seems so very clear to me, that I'm trying

But it's not clear to you, what I'm trying to do

You don't know what I mean, do ya?

You don't know what I mean

You're not trying

God knows you probably mean to try

I mean sometimes it even seems clear to me

I mean sometimes it even seems clear to me that  
you're trying to try

Is that clear? Do you know what I mean, what I'm trying  
to say

You don't know what I mean, do ya?

You don't know what I mean

God knows I try
