Were you hear five thousand years ago

Promising the promised land

Corinthians, Corinthians

Dancing on unbroken burning sand

Where no trees or living things would grow

Selling the romantic dream

Phoenicians, Phoenicians

Real estate is hard to find, ideas undermined

Wrong place and wrong time

CHORUS

Goodbye, good thing

Africa's a lonely place

Goodbye, good thing

Missionaries in position pray

Oh Israel

Have you lost what others never find

Blame the unforgiving sun

Arabians, Arabians

Neighbors are so hard to tame

When you don't look the same

Give them a smile say
