I'm a gladiator in a thong  
Applaud when I come on  
I got you in my palm  
Where you belong  
When others fall I stand  
It's all my master plan  
I'm my own special brand  
I'm in command

You got your ringside seats  
Now put your money on me

I am su-su-supercharged  
Let's get su-su-supercharged  
I am su-su-supercharged  
Gettin' you su-supercharged  
Blow 'em all away  
Make 'em all obey  
Die another day  
Let's get  
Supercharged, supercharged, supercharged,  
supercharged, supercharged  
Hey! Hey! Hey! Hey!

I know they're in it for the fame  
But in this world I reign  
For me it's not a game  
I love the pain  
Don't mean to cause alarm  
This is a call to arms  
I'll never drop my guard  
I'll lead the charge

You got your ringside seats  
Now put your money on me

I am su-su-supercharged  
Let's get su-su-supercharged  
I am su-su-supercharged  
Gettin' you su-supercharged  
Blow 'em all away

Make 'em all obey  
Die another day  
Let's get  
Supercharged, supercharged, supercharged,  
supercharged, supercharged  
Hey! Hey! Hey! Hey!

You wanna be a player  
You gotta make a play  
Just don't give up  
And push 'em out the way  
They wanna make us stumble  
They wanna make us fall  
Just don't give up  
We got 'em by the balls

I am su-su-supercharged  
Let's get su-su-supercharged  
I am su-su-supercharged  
Gettin' you su-supercharged  
Blow 'em all away  
Make 'em all obey  
Die another day  
Let's get  
Supercharged, supercharged, supercharged,  
supercharged, supercharged  
Supercharged, supercharged, supercharged,  
supercharged, supercharged  
Supercharged, supercharged, supercharged,  
supercharged, supercharged  
Hey! Hey! Hey! Hey!
