(Yeah, just smile, massari, loon, come on)

[Massari]

Ladies know me, i'm a trauma,
So most in these girls wanna be with me,
Lady pristine know that i'm a balla,
Thousand dolla ballers in the VIP.
Also had enough of the drama,
All i want is honeys in to 'e' on me.
If you want it let me hear you holla.
And leave me when you want to,
Won't you call on me.

[chorus 1]

Baby could you be down for me,
Could you be around for me,
Really don't bother,
Ooh you gotta, just smile for me.
Could you be down for me,
Could you be around for me,
Really don't bother,
You really gotta, just smile for me.

[chorus 2]

You know you gotta,
Just make it hotter,
I'm stuck in Dallas,
Ain't no more drama for me. ([Loon:] c'mon)

You know you gotta, ([Loon:] you know you gotta)
Just make it hotter, ([Loon:] just make it hotter)
I'm stuck in dallas, ([Loon:] loon, massari)
Ain't no more drama for me. ([Loon:] let's go)

[Loon's rap]

Now what's the sense brushing your teeth,
If you're not gonna smile,
I know i'm a bad boy, but i'm not that wild.
I might hang-out late, but i'm not that foul.
The chicks be on my back, like they got my child.
Meanwhile you know my style, i'm high profile.

Even though i be in the hood, when them gatz go blao!
I got stacks and pals, run with gangstas wow
Actin' me and you want it, it's not your style.
I could tell by the chanel, you livin' it well.
But you ain't used to dealin' wit katz that's livin' in hell.
Used to katz tryin' to get in your tail, katz sniffin' your
trail,
Stalkin' you while you walkin' in hills.
Kinda ill how you makin' it hotter,
In your gucci and prada, you the reason why groupie

Not with me mama, uh uh ([Massari:] you you you you

When you i'mma holla
And the only thing that i can say is hey mammi.
