You said you would wait for me, but something went wrong

The house was empty, your pictures gone

I knew you'd come back one day, our love was so strong

The past behind us, it's here you belong

'Cause I'm deep inside you, you're deep inside me

I always knew that we would always be

Two hearts forever, one heart alone, I need to know
your love is mine

Two hearts forever, one heart alone, I won't let go of
you this time

You could've talked to me, what changed your mind

I could have been there by your side

You thought you could walk away, but you know that's a
lie

This loneliness is hard to hide

It's so easy to surrender, and temptation always finds a
way

You must hold on, you know we must hold on, whoa-oh-
oh

Two hearts forever, one heart alone, I need to know
your love is mine

Two hearts forever, one heart alone, I won't let go of
you this time

[instrumental break]

Two hearts forever, one heart alone, I need to know
your love is mine

Two hearts forever, one heart alone, I won't let go of
you this time

Two hearts forever, one heart alone, I won't let go of
you this time

Take this heart of mine
