Uncanny woman you weaved your spell on me
I was taken by the look in your eyes for all the wrong
reasons
You must have been a spiteful child full of anger
Raised by the hand of a duchess, a mother, and a
heathen

You laid your tender trap of crystals and wine
Your neck was sweetly laced with a scent I did not mind

I can't lie, I can't lie
I can't lie, I can't lie
Angel don't cry
Angel don't cry

Queen of darkness, you got your way with me
You caressed ev'ry part of my soul
You got what you were after a savage and an angel
You innocently hunger for love
Still shivering from the coldness of your laughter

You laid your tender trap of crystal and wine
Your neck was sweetly laced with a scent I did not mind

I can't lie, I can't lie
I can't lie, I can't lie
Angel don't cry
Angel don't cry

No, angel don't cry
Angel don't cry
No, no, no

You laid your tender trap of crystals and wine
Your neck was sweetly laced with a scent I did not mind

I can't lie, I can't lie
I can't lie, I can't lie
Angel don't cry
Angel don't cry

Angel don't cry

No, no, no
Angel don't you cry
