Anna please turn around
We'll work it out somehow
And Anna don't turn me down
There's still a chance
If we can hold out once more

'Cause we started out with love
That was more than enough
And that's a lot to give up

Even if you turn and walk away
Love will bring you back somehow
I will wait forever and a day
'Cause I believe without a doubt
The time will not run out on our love

Anna you gotta stay
It's just a stage we're going through
And Anna this all can change
If we turn the page
Then we can start it all again

'Cause we almost touched the sky
And it could never again be this right
Anna please change your mind

Even if you turn and walk away
Love will bring you back somehow
I will wait forever and a day
'Cause I believe without a doubt
The time will not run out on our love

Even if you turn and walk away
Love will bring you back somehow
I will wait forever and a day
'Cause I believe without a doubt
The time will not run out

Even if you turn and walk away
Love will bring you back somehow
I will wait forever and a day, oh
'Cause I believe without a doubt

The time will not run out

And I believe without a doubt

The time will not run out

And I believe without a doubt

The time will not run out on our love
