Last night she ran away
Left a letter by the telephone
She didn't take the time to say goodbye

He knows he has to find her
Find a way to make her come back home
She stretched her wings and learned to fly

Carmen, Carmen, don't you care for me
Carmen, Carmen, don't you care
Carmen, don't you care for me

He calls but there's no answer
Operator, ring it one more time
He thinks of her and shuts his eyes

She wears the ring he gave her
Something magic and it once was mine
Will she be thinking of him tonight?

Carmen, Carmen, don't you care for me
Carmen, Carmen, don't you care
Carmen, don't you care for me

He has to find her
I really miss that girl
He steals into the night

He'll go mad without her
(I'm still mad about her)

Carmen, Carmen, don't you care for me
Carmen, Carmen, don't you care
Carmen, don't you care for me

Carmen, Carmen, don't you care for me
Carmen, Carmen, don't you care
Carmen, don't you care for me

Carmen, Carmen, don't you care
Carmen, don't you care for me
