"Goodbye Elenore"

I wanna give her something she'll remember
But she said, "No, no, no, no, no"
I wanna squeeze her tight and not offend her, yeah
She said, "No, no, no, no, no"

And he thought that she was coming back
But she wrote him a letter
Sealed it with a kiss
And placed it in front of my door

It seems as though you've got your way before
You left me standing helpless just when I need more
You broke my heart for the last time
You broke my heart for the last time
You broke my heart for the last time
Goodbye Elenore

I tried to tell the boys all about her, yeah
They say, "No, no, no, no, no"
They told me she was loose, no doubt about her
Well, I say, "No, no, no, no, no"

And he thought that she was coming back
But she wrote him a letter
Sealed it with a kiss
And placed it in front of my door

It seems as though you've got your way before
You left me standing helpless, just as I need more
You broke my heart for the last time
You broke my heart for the last time
You broke my heart for the last time
Goodbye Elenore

Seems as though you've got your way before
You left me standing helpless just when I need more
You broke my heart for the last time
You broke my heart for the last time
You broke my heart for the last time
Goodbye Elenore

You broke my heart for the last time

Broke my heart, it's the last time
You stole my heart and now you're gone forevermore
