There's something I must say  
Something I must do  
I planned it all this way  
Designed it just for you  
Do you wanna be with me  
Be with me at all?  
Do you have to be so cool  
Your gentle touch manoeuvred me  
But all the time I always knew

*[Chorus:]*

I'm really mad about you  
There's nothing bad about our love  
I'm giving you the only heart I have  
But I'm afraid tonight it won't be enough

Can we go on this way?  
There's nothing left to proof  
It's not another game  
Or another simple move  
Do you believe in me  
Believe in me at all?  
Are you telling me the truth?

Or is it just imagination or the perfect dream  
That I'm here with you

*[Chorus]*

*[Instrumental break]*

Do you wanna be with me  
Be with me at all?  
Do you have to be so cool  
Your gentle touch manoeuvred me  
But all the time I always knew

I'm really mad about you  
There's nothing bad about our love  
I'm giving you the only heart I have  
But I'm afraid tonight it won't be enough

I'm really mad about you  
There's nothing bad about our love  
I never had a broken heart before  
But I know you'll never tear  
Tear mine apart
