Mama, I don't love you anymore
Money's got me crawlin' on the floor
Lover, I'm so ashamed that I must go
Funny, somehow I thought by now you'd know

Girl, you'd better take my hand
And say what you mean to say
And she said, "Stay as long as you can
Don't wait till you're thrown away"

Mama, throw me out into the cold
(See the girl with the eyes on fire)
Woman, the love you bought was never sold

Girl, you'd better take my hand
And say what you mean to say
And she said, "Stay as long as you can
Don't wait till you're thrown away"

Mama, I don't love you anymore
Sorry, I'm not the boy you're lookin' for

Girl, you'd better take my hand
And say what you mean to say
And she said, "Stay as long as you can
Don't wait till you're thrown away"

She's gone away, yeah yeah yeah yeah
She's gone away, yeah yeah yeah yeah
(See the girl with the eyes on fire)

She's gone away, yeah yeah yeah yeah
She's gone away, yeah yeah yeah yeah
(Now he know she's the one he desires)
(Now he know she's the one he desires)
