Been thinking 'bout you all night
Guess you got me in your spell
But I think that I'll be alright
Even if I don't get well

Hey, Miss Sun, what could I say
I tried to hold you
But the Moon got in the way
It won't be long before
The morning has you back in my arms

I can still remember
What you told me with your eyes
One kiss, now it's down to this
Guess it's time you realize

Hey, Miss Sun, what could I say
I tried to hold you
But the Moon got in the way
It won't be long before
The morning has you back in my arms
Has you back in my arms

Hey, Miss Sun, what could I say
I tried to hold you
But the Moon got in the way
It won't be long before
The morning has you back in my arms
In my arms

Hey , Miss Sun
What could I say
I tried to hold you
But the Moon got in my way
It won't be long before
The morning has you back in my arms

[Inaudible]

One kiss is what I need
One kiss, give it to me
It won't be long until

The morning has you
Won't be long until
The morning has you back in my arms

One kiss, I realize
One kiss, I can see it in your eyes

Oh, it won't be long until
The morning has you back in my arms
