Side by side  
I'll be yours forever  
Yes I will  
Rain or shine  
Any kind of weather  
Any kind

There isn't anything I wouldn't do for you  
Let's take what's getting old and make it new

Eye to eye  
It's a blinding confrontation  
I said you and I  
are a deadly combination

So don't start mixing truth with jealousy  
The road we're on is clear as far as I can see

Pamela  
Don't break this heart of mine  
Just remember it may not heal this time  
Pamela  
There is no second chance  
For the one who leaves it all behind

Black and white  
Always go together  
And on day and night  
You're the precious jewel I treasure

Wanting every part of you is not a crime  
Could it be that you're the one who's wrong this time

Pamela

Don't break this heart of mine  
Just remember it may not heal this time  
Pamela  
There is no second second chance  
For the one who leaves it all behind  
Leave all

Oh Pamela  
Thousands of miles away but always in my heart

Pamela  
So don't break this heart of mine  
Just remember it may not heal this time  
Pamela  
There is no second chance  
For the one who leaves it all behind

Pamela  
Don't break this heart of mine  
Just remember it may not heal this time  
Pamela  
There is no second chance  
For the one who leaves it all  
Leave all behind

I still love you little girl  
I still love you  
And you know it little Pamela  
I still love you yes I do  
And you know it little Pamela  
Come on  
Oh little Pamela
