All I wanna do when I wake up in the morning is see your eyes  
Rosanna, Rosanna

I never thought that a girl like you could ever care for me, Rosanna

All I wanna do in the middle of the evening is hold you tight  
Rosanna, Rosanna

I didn't know you were looking for more than I could ever be

Not quite a year since she went away, Rosanna yeah  
Now she's gone and I have to stay

Meet you all the way, meet you all the way, Rosanna yeah

Meet you all the way, meet you all the way, Rosanna yeah

I can see your face still shining through the window on the other side  
Rosanna, Rosanna

I didn't know that a girl like you could make me feel so sad, Rosanna

All I wanna tell you is now you'll never ever have to compromise  
Rosanna, Rosanna

I never thought that losing you could ever hurt so bad

Not quite a year since she went away, Rosanna yeah  
Now she's gone and I have to stay

Meet you all the way, meet you all the way, Rosanna yeah

Meet you all the way, meet you all the way, Rosanna yeah

Not quite a year since she went away, Rosanna yeah  
Now she's gone and I have to stay

Meet you all the way, meet you all the way, Rosanna yeah

Meet you all the way, meet you all the way, Rosanna yeah

Meet you all the way, meet you all the way, Rosanna yeah

Meet you all the way, meet you all the way, Rosanna yeah
