When you meet a special person
And it feels good passing time
You tell yourself it's casual
But they have something else in mind

You try to make some reason
A voice calls out from across the room
She runs away without an answer
She runs away too soon

Somewhere tonight
Someone's crying
Somewhere tonight
Someone's crying

Somewhere tonight
Someone's crying
Somewhere tonight
Someone's crying

We all belong to someone
Sometimes they're so far away
You write down words in letters

Not quite sure what they say

You know that she needs you
And you miss her in your heart
But a certain feeling lingers
That keeps us miles apart

Somewhere tonight
Someone's crying
(You'd better believe)
Somewhere tonight
Someone's crying

Somewhere tonight
Someone's crying
Somewhere tonight
Someone's crying

(Oh Lord)
Somewhere tonight
Someone's crying
Somewhere tonight
Someone's crying

(You'd better believe)
Somewhere tonight
Someone's crying
Somewhere tonight
Someone's crying

Somewhere tonight
Someone's crying
