Unaffected

I bravely faced the fall

No reflection

Freak armies of the night

Misdirected

I fought the useless fight

Unprotected

Don't cry for me

Time is the enemy

Soon I'll be free

I surrender

Sweet moon, she marks the year

Unreflected

How sad she has no tears

So neglected

Don't cry for me

Time is the enemy

Soon I'll be free

I surrender

Toto Time Is The Enemy
