Momma said, "Be careful what you do, yeah you"
She said, "Don't you let just anybody talk to you, no, no,
no"

I can't hide the way you make me feel inside
I'm afraid if Momma only knew, it feels right

If you want me, you got me
(Want me)
And if you need me, you got me all night
(Need me)
And if you love me, you got me all night long
(Love me)
(All night long)

Everybody, I confess I love the things you do, yes I do
Your caress keeps me coming back to you, only you

If you want me, you got me
(Want me)
And if you need me, you got me all night
(Need me)
And if you love me, you got me all night long
(Love me)
(If you want me)

If you want me, you got me
(Want me)
And if you need me, you got me all night
(Need me)
(To you)
And if you love me, you got me all night, all night long
(Love me)
(All night long)
(Yes, you got all night along)

If you want me, you got me
(Want me)
(Nothing you get)
And if you need me, you got me all night
(Need me)
(Ooo)
And if you love me, you got me all night, all night long

(Love me)
(I know you need me girl)
