The Presence of the Lord Is Here

Byron Cage

Prince of Praise - 2003

The presence of the Lord is here,  
The presence of the Lord is here,  
I feel it in the atmosphere,  
The presence of the Lord is here,  
The presence of the Lord is here.  
The spirit of the Lord is here,  
The spirit of the Lord is here,  
I feel it in the atmosphere,  
The spirit of the Lord is here,  
The spirit of the Lord is here.

The power of the Lord is here,  
The power of the Lord is here,  
I feel it in the atmosphere,  
The power of the Lord is here,  
The power of the Lord is here.

Everybody blow the trumpet,  
And sound the alarm,  
Because the Lord is in the temple,  
Let everybody bow,  
Let all the people praise Him now,  
The Lord is here!

A blessing from the Lord is here,  
A blessing from the Lord is here,  
I feel it in the atmosphere,  
A blessing from the Lord is here,  
A blessing from the Lord is here.

Everybody blow the trumpet,  
And sound the alarm,  
Because the Lord is in the temple,  
Let everybody bow,  
Let all the people praise Him now,  
The Lord is here!

i can feel the presence of the lord and i am going to get

my blessing right now 8x

Cant you see him working on the outside  
I can feel him moving on the inside  
So come and enter in and cast your cares on him  
He'll open up a window pour you out a blessing  
Cause when the Lord steps in he brings everthing you  
need  
Healing Power and Victory  
So it is all up to you whatever you need him to do  
Just trust and believe him and  
By faith you can receive it i can

i can feel the presence of the lord and i am going to  
get my blessing right now  
6x

I can feel the presence of the Lord,  
And I'm gonna get my blessing right now.

the presence of the Lord is  
the presence of the Lord is  
the presence of the Lord is here!
