Take a little bit of dank
Mix it with a little crank
And put it in a taco shell
Mix a little ground meat
With a little shredded beef
Drop acid and visit hell
'Cause I got to get me some ecstasy
And a big ass jar of LSD
I got to smoke that joint that's next to me
And then I'll hit up the taco with extra cheese

I'm buying my grub by the pound
And I'm buying my drugs by the pound
I got a pound of weed, I need a pound of cheese
I got an ounce of yay and 50 pills of heat

???? so hard I need an IV drip
Filled with refried beans going past my lips
Tomatoes, and crack, heroin and cheese
Beans and rice and some sour cream

I'm eatin' tacos and drugs
I'm eatin' tacos and smokin' drugs
I'm eatin' tacos and drugs
I'm gettin' high

Yo, I'm zippin' on the mic and I'm about to set it real
Cocaine and tacos is my combo meal
I got a mix of white coke with a little diet coke
Mix it with some tussin, no joke
'Cause I'm higher than the sky, and I'm ready to die
Yo, my mind ain't right, but my belly is full of
Lettuce and cheese, so its beautiful

Got to marinade the steak and the carne asada
'Cause I'm puffin' all the marijuana
Shootin' that sauce up in my veins
'Cause it's mild, hot, fire and insane
Don't try to act like you don't like my speed
Don't try to act like you don't like to eat
I'm searchin' for some cash 'cause I'm barely gettin' by

'Cause I'm eatin' fuckin' tacos and gettin' hella high

I'm eatin' tacos and drugs

I'm eatin' tacos and smokin' drugs

I'm eatin' tacos and drugs

I'm gettin' high
