[Intro: Jamelle Brundy] (Edo G) (*DJ Scratching) Here I go (Uh huh) A (Yeah) Gain (Here we go) (*Here we go!) [Verse One: Edo G] Yo! This track really reminds me Of when I got my deal in 1990 Moms wasn't behind me didn't take too kindly I had to find me so I came in blindly Got a contract to buy me Ted got the demo hade Mercury sign me Hip Hop became a part of I Got To Have It, Bug-A-Boo, Be A Father See I went for mine, next album Roxbury 02119 Yeah! It didn't sell as well People started sayin they could tell I fell Third album was comin out sloppy All of a sudden, Mercury dropped me It felt like my world ended Until I found the blessings of independence Life could bust your bubble It's a everyday grind and a constant struggle Bam! I got hit with the target With Masta Ace, a new project, here I go [Chorus: Jamelle Brundy] (DJ Scratching) Here I go, a-gain! (Here we go!) [Verse Two: Masta Ace] Been on a road to success from the very beginning Saw everyone around me was steadily winnin I was in the driver's seat, but I lost control Now it's time to take a shit or get up off the bowl I mean the mortgage due, tuition from my daughter's school Gotta be in before August 2 I still wanna fight, but it don't seem right It's like, why wage ya battle when the war is through? I know where I'm goin but that place is far Kinda feel like the dog tryna chase the car No matter how fast I run, I'll never catch it and that reality I gotta face tommorow Most times I feel like, "What is the use?" I got a good mind, I should put it to use My transit score was the open proof But I don't wanna be the man in the token booth or the man sayin, "Watch the, closing doors" And give up his live full of shows and tours I know a lotta niggas sellin real estate But if I did, then I wouldn't really feel as great This time truly I'm torn 'Cause my wife want that brand new Louis Vutton And I just got a call, to do anohter show Damn, once again, here I go [Chorus: Jamelle Brundy] (DJ Scratching) Here I go, a-gain! (Here we go!) [Verse Three: Jamelle Brundy] I've been doin this since I was a little girl This music thing it's like my whole world It's what I love fo' sure But it's so damn hard to kick down them doors But I HUSTLE!

Cause I want it, gotta STRUGGLE if you want it Cause
can't nobody keep my man down My passion gonna
keep me around Ridin, tourin, studio, anything to keep
my mind flow so [Chorus: Jamelle Brundy] Here I go
(HEEREEEE!!!!) a-gain! (Here I go!!!) [Bridge: Jamelle
Brundy] Heey yeaah Here we gooooo-wooo... Gotta
keep fightiin, 'cause we grindiiin And like
diamooonds, keep it shinin [Outro: Masta Ace] Yeah,
yeah, uh, uh I shine, you shine shine shine I shine, you
