Sexy lady, you gots to have my baby  
Lock you down like a soldier in the Navy

It's time find tricks and smooth it

[Hook 2X: Governor Tools]

You gots to have my ba-ba-ba-ba-baby, for real

[Ski]

Pretty like the sunshine (like a sunshine)  
Sunny day.. (on a sunny day)  
Pretty like a rose (a beautiful rose)

Prettier than anything (prettier than anything)

Oh, I'd love to talk with you, talk with you

[Chorus 2X]

[Masta Killa]

It's a special dedication, to all of my lady friend  
Whether you Caribbean, from any other island, them  
I touching, on the scene, make the meanest gangsta  
roll lean  
Gun clean, stay fresh, her breasts all natural  
I'm impressed, her body all actual  
She undressed, flexed, pretty round brown t'ing, from  
the back  
Horny facts, fat, fat, fat, fat  
Sexy Maxine, she fiend for the killing  
Christine, she fiend for one killing  
Sexy Justine, she fiend for one killing  
And sip the Guinness, burn ganja weed  
Look out for breed, picnic to feed  
Me sip Guinness, burn ganja weed  
Look out for breed, picnic to feed

[Hook 2X]
