This Goodbye is not forever
I will love you forever and forever
This goodbye is just hello to me
Ohoohhh...
Ohoohhh...

Baby, you can trust me
You're not a One Night Stand to me
(One Night Stand to me)
And if you got my message
You'll be to blind to see
Baby, I will never go
Baby, I will never go
Oh, I swear it's true
Baby, I will never go
Baby, I will never go
Never make you Blue

This Goodbye is not forever
I will love you forever and forever
This goodbye is just hello to me
Ohoohhh...
This Goodbye is not forever
I will love you forever and forever
This goodbye is just hello to me
Ohoohhh...
Ohoohhh...

Babe, I die for you girl
It's not just too late to try
(Just too late to try)
Oh, the secret that you keep girl
