He's the M.A.S.T.E.R. of disguise he can change in front
of your eyes

He's the master, master of disguise

(Faye)

He don't play I changes fences everyday The one while
it was it don't play

No one can do what he can do

It's his groove that makes him feel strong

Whenever and out

He'll fall off his time

Chorus 2x >>

He's the M.A.S.T.E.R. of Disguise watch into the front of
your eyes

He's the master, master of disguise

Lil Fizz>>

Now, who's down, who's back

It's not the time to just stop for Lil Fizz and like that

Let me tell you a little story about the guy behind the
mask

For you to get crunk, so he'd have to change fast

9 time thrower to a couple of jazz

And you know he could change in the blink of an eye

Turn to a nerd to a nerdy guy

Now tell me if he look stupid he gon ask this why

He's the M.A.S.T.E.R. of disguise he can change in front
of your eyes

Look up in the air to dem other guys

If a shorty in dem dog it wouldn't be wise

He's a crime fighter Keepin the streets tighter

Movie sets so thrilled you can call him night writer

True to the game and not but a thang

So come on everybody let's scream his name

Chorus2x>>

Lil Fizz

It's the master of disguise and he ain't gone stop

straight up and especially for the others put away and
lock

Ladies and gentlemen do not fear

Wherever there is crunk Im'ma be is near

What it do bringin these not crunk pain

Makin they clocks slam and got em insane

True to the game but not for a fizzane

So come everybody, let's scream his name!

Chorus till end
