Anythang is plenty man and is better than an nothin at
all

Anythang is plenty man

Anythang is plenty man and is better than an nothin at
all

Anythang is plenty man

You ain't the only one who got problems

You ain't the only one who knows pain

Get up off your ass and just solve it

You still got a chance to try to change - try this shit
again

[Refrain]

Really ain't no need for self pity

Cryin when there's no one else around

Life I know sometimes can get shitty

Even shittier when sleepin on the ground - no need to
complain

[Refrain]

[Interlude]

[Refrain]

You ain't the only one who got problems

You ain't the only one who knows pain

Get up off your ass and just solve it

You still got a chance to try to change - try this shit
again

Really ain't no need for self pity

Cryin when there's no one else around

Life I know sometimes can get shitty

Even shittier when sleepin on the ground - no need to
complain

[Refrain]

Notihin at all - nothin at all - anything is plenty man

I hope you realize that everybody gonna need
