

Tourniquet "Sola Christus"

Visit "[Sola Christus](#)" on MotoLyrics.com

Not inclined to come to Him
Inability within
Inward call achieves His end
Sovereignly commenced

Sola Gratia
Covenant to covenant
Solvation never changed
Sola Gratia

Quickened of the third person
Regenerate competence
Not my own, this faith a gift
Boasting set adrift

Sola Fide
Credited as righteousness
Looking far ahead

Sola Fide

Pardoned of iniquity
Forgotten, cast into the sea
Righteousness ascribed to me
Christ alone completed He
Sola Christus
Christ alone completed me
Sola Christus

Fulfilled the Father's Holy law
Unblemished lamb redemption brought
Sinless One received the wrath
Justifying filthy men
