You see life as a game (Eph 6:11)  
that you don't want to play in  
Born in a world  
that you don't wanna stay in  
There's only two roads (Jer 6:16-19)  
and none in between them  
If you don't choose the Son  
the choice you've made is against Him (Matt 12:30)  
Watch out!  
You're gonna lose  
If you mess with the maker (Is 45:9)  
Look out!  
You're gonna lose  
If you mess with the maker (Matt 25:41 / Rev 12:9)  
Beware you're gonna lose if you  
think you can tip-toe in between (Matt 7:13-14)  
Your life is in danger!  
You have made up your mind  
that you don't need religion

You're such a good person  
and you live better than some Christians (Ep 2:8-9)  
Well, I've got some really bad news  
You can read it for yourself  
Jesus came once to save you  
Turn away and He's gonna slay you (Rev 19:15 / Joel  
3:13)  
Your life is in danger  
To confessing Christians  
that live in sin  
To the religious  
living by the law (Gal 3:10-11)  
Those who heard the Gospel  
and turned away  
Lazy people who wouldn't make up their minds  
Your life is in danger - Holy Danger!

Luke 12:40, Luke 3:17, Ecc 9:12, John 12:23
