You can spend your life in  
In the passenger seat  
And watch it all fly by  
Or you can take the wheel  
Shift into gear  
And drive along your grown minds

I will not let my life fly by  
I will not waste my time  
I will not just sit  
On the fence  
Be concious of the conseqesnce  
Oh yeah

Wake up  
It's time to save the world  
Wake up  
It's time to save the world

Stand up  
Stand out

It's time to be a hero  
Stand up  
Stand out  
It's time to make your stance

Stand up  
Stand out  
It's time to be a hero

Stand up  
Stand out  
Cause it's time to save the world

You can just secome to  
Socialization  
And fall right into line  
Or you can be yourself  
Go along your own lines  
And your so freaking fine

I will not just fall into line  
My actions will be mine  
I will not just sit on the fence  
Be consiouse of the consequence  
Oh yeah

Wake up  
It's time to save the world  
Wake up  
It's time to save the world

Stand up  
Stand out  
It's time to be a hero

Stand up  
Stand out  
It's time to make your stance

Stand up  
Stand out  
It's time to be a hero

Stand up  
Stand out
