Y-y-you (Ooooo) y-y-you  
Ahh, ooh oh oh oh oh (Ummm)  
You know you got me, yeah  
You know you got me uh-huh-huh-huh  
You know you got me, yeah  
You know you got me

[Freeway]  
Uh it's Mariah and Free  
Just Blaze beats, yeah  
It's the Roc and Mariah and the women go (Oh)  
And I love it when the ladies sing (Uh uh uh uh)  
And they love it when the whistles blow over the ring  
Slide upon ya strip and go (Uh uh uh uh)  
Just to pick up ya sister bro  
You like to pick and choose who she dates  
While I state who I like to stick and move  
Silly fool, she know that I got her  
I'll run up on the strip and go (Uh uh uh uh)  
For Mariah play a brother role  
I'll play a different role  
Let her roll in the wheel, long days nowhere to go  
And no other slimie will do  
She just like honey so she got me like Winnie the Pooh  
Long nights let her chill with the crew  
Only backwards will do and she know how to roll  
They say out with the old and in with the new  
But she's my dreamlover so I can't let go, hey no  
Please believe me, I've never been a liar  
Touch fire Mariah and Free-weezy

[Mariah Carey]  
I get shy around you  
Don't know what to say  
I don't know what to do  
Cause you do something to me  
That I can't describe baby  
Always catch myself thinkin' 'bout  
The things you do  
There ain't no one else  
I got my heart set on you

You really got me, baby it's true

[Chorus]

You know you got me (So in love)  
You know you got me (Daydreamin' about us)  
You know you got me (Starry eyed and elated)  
You know you got me (Whenever you want me baby)  
You know you got me (Hypnotized)  
You know you got me (With you on my mind)  
You know you got me (Feeling intoxicated)  
You know you got me (Whenever you want me baby)

[Mariah Carey]

Boy I'm entangled up in you  
These feelings I just can't elude  
Cause you're so captivating  
That I inadvertantly  
Always catch myself thinkin' 'bout  
The things you do  
There ain't no one else  
I got my heart set on you  
You really got me, baby it's true

[Chorus]

You know you got me (So in love)  
You know you got me (Daydreamin' about us)  
You know you got me (Starry eyed and elated)  
You know you got me (Whenever you want me baby)  
You know you got me (Hypnotized)  
You know you got me (With you on my mind)  
You know you got me (Feeling intoxicated)  
You know you got me (Whenever you want me baby)

[Jay-Z]

Mami got me buyin' property  
Speedin' too fast, high velocity  
Coppin' bracelets, baby rock piece  
Vacation San Tropez and Capri  
And usually I be on my shit  
Harlem Shakin' these groupies off me quick  
But this time it's diff  
Think the love gon' stick  
Like Velcro, let go, hell no  
Ma, you know you got me

[Mariah Carey]

Said I'm insecure when I'm around you  
Don't know what to say or to do  
Catching feelings boy, in spite of myself  
I can't think of nobody else sugar  
You're the star of all my dreams

I just wanna be your everything  
Boy you know you really got me  
Baby yeah

[Chorus x2]

You know you got me (So in love)  
You know you got me (Daydreamin' about us)  
You know you got me (Starry eyed and elated)  
You know you got me (Whenever you want me baby)  
You know you got me (Hypnotized)  
You know you got me (With you on my mind)  
You know you got me (Feeling intoxicated)  
You know you got me (Whenever you want me baby)

[Mariah Carey]

Said I'm insecure when I'm around you  
Don't know what to say or do  
Catching feelings boy, in spite of myself  
I can't think of nobody else sugar  
You're the star of all my dreams  
I just wanna be your everything  
Boy you know you really got me  
Baby
