You want it your way, I want it mine  
It's gonna take more than us to try  
Put it back together  
It's better late than never  
We can make it work alright this time

Saying you love me isn't easy  
Cause everything i do is far from pleasing  
Allow me to apologize  
Before you wanna say goodbye  
Try to understand  
There's a reason

We've got to come to our decision  
Find a way  
Because tomorrow is too late to start again  
We've got to come to our decision  
Find a way  
Cause if another day goes by  
Running out of tears to cry  
I'll lose my mind

Waiting for the right place and the right time  
I'll tell ya what's been going on in my mind  
Maybe we should take it slow  
But i just wanna let you know  
We've come too far to leave it all behind

I tried to give you love but you wouldn't take it  
I don't know what i'll do if we don't make it  
Girl i'm so glad about you  
I've built my whole world around you  
Right here in my heart  
I feel it breaking

We've got to come to our decision  
Find a way  
Because tomorrow is too late to start again  
We've got to come to our decision  
Find a way  
Cause if another day goes by

Running out of tears to cry  
I'll lose my mind

From now on  
You will come to see a change  
From now on  
You no longer have to wait  
To see a different side  
Come on let's take that ride  
Into paradise  
It would be so nice

We could come to our decision  
Find a way  
Because tomorrow is too late to start again  
We've got to come to our decision  
Find a way  
Cause if another day goes by  
Running out of tears to cry  
I'll lose my mind right away

Because tomorrow is too late to start again

We've got to come to our decision  
Find a way  
Cause if another day goes by  
Running out of tears to cry  
I'll lose my mind right away  
Because tomorrow ooww don't you know that  
it's much too late to start again

We've got to come to our decision  
Find a way  
Cause if another day goes by  
Running out of tears to cry  
I'll lose my mind  
Because tomorrow is too late to start again

We've got to come to our decision  
Find a way  
Cause if another day goes by  
I feel like i'm running out of tears to cry  
Yeah
