Move to the music, shout and sing-a-ling
You got to groove with the rhythm, girl,
get slick and shake that thing
Shake that thing
Let it be for real
If you got the power,
that you all know what you gotta do
You can't lay dead,
just catch that groove

You got to funkifize
You got to funkifize

If you want to get funky,
like a bow-legged monkey
I'm telling you,
you got to funkifize
Kick to the backbeat,
before you get too old
You got to flash to the fire
and let it grab your soul
Grab your soul
Let it be for real
If you got the power,
that you all know what you gotta do
You can't lay dead,
just catch that groove

You got to funkifize
You got to funkifize

If you want to get funky,
like a bow-legged monkey
I'm telling you,
you got to funkifize
Got to say it's in the blood
In the blood, in the blood
Yeah, they say it's in the blood, yeah
In the blood, in the blood
Somebody said it's in the blood
In the blood, in the blood
Well they say it's in the blood, yeah

In the blood, in the blood
But don't you know it's in your soul
Don't you know it's in your soul
