You got to funkify  
You got to funkify  
You got to funkify  
You got to funkify

Move to the music, shout and sing-a-ling  
You got to groove with the rhythm, girl  
Get slick and shake that thing  
Shake that thing, yeah

To let it be for real  
If you got the power  
Now, you all know what you got to do  
You can't lay dead just catch that groove

You got to funkify  
I say  
You got to funkify

If you want to get funky  
Like a bow-legged monkey  
I'm telling you  
You got to funkify

You got to kick to the back beat  
Before you get too old  
You got to flash to the fire  
And let it grab your soul  
Grab your soul

Let it be for real, bop to the rock  
If you got the power  
Now you all know what you got to do  
You can't lay dead just catch that groove

You got to funkify  
Well  
You got to funkify

Now, if you want to get funky  
Like a bow-legged monkey  
I'm telling you

You got to funkify

Got to say it's in the blood  
In the blood, in the blood  
Yeah, they say it's in the blood, yeah  
In the blood, in the blood

Somebody said it's in the blood  
In the blood, in the blood  
Well, they say it's in the blood, yeah  
In the blood, in the blood

But don't you know it's in your soul  
Don't you know it's in your soul  
Don't you know it's in your soul, boy  
Don't you know it's in your soul

Don't you know it's in your soul, mama  
Don't you know it's in your soul  
Don't you know it's in your soul, women  
Don't you know it's in your soul

You got to funkify  
You got to funkify  
(I'm telling you now)  
You got to funkify  
You got to funkify  
(That's all you got to do now)  
You got to funkify  
(Talking about the funky nation, yeah, yeah)

You got to funkify  
(Oh, oh, yeah)  
You got to funkify  
(If you got the power)  
You got to funkify  
(Then let it be for real why don'tcha  
You got to funkify  
(And I'm telling you right now)  
You got to funkify
