You're still a young man  
Baby Oo oo don't waste your time.  
You're still a young man  
Baby Oo oo don't waste your time.  
Down on my knees  
Whole heart in hand  
I was accused of being too young  
But I'm not so young  
Can't you understand  
That I think like a man  
You're still a young man  
Baby Oo oo don't waste your time.  
(Oh No Baby)  
You're still a young man  
Baby (I'm not wastin my time)Oo oo don't waste your  
time.  
Back, once again  
Oo Oo Just beggin you please  
Darlin, think twice,  
About me  
Cause I'm not so bad  
I could make you happy  
I'm not a bad man  
You're too young to love (If you and I could be  
together)  
You're too young to love (I'd get to you through any  
weather)  
You're too young to love (I love you YES I love you Oo  
Lady)  
You're too young to love (I'll never never leave you  
alone yeah)  
You're too young Ooo Ooo (You're mine Oh sweet lady)  
Don't waste your time  
The damage is done  
You see that you were wrong  
You wake up wonderin just  
How well I've done  
Well I've done alright  
Yes there are some girls but you know  
I dropped them on site  
Just for you  
Becuae I love you.

You're still a young man  
Baby Oo oo don't waste your time.  
(I'm not a young man baby  
And I don't feel that I'm wastin my time, not when it's  
you girl  
You better believe)  
You're still a young man  
Baby Oo oo don't waste your time.  
(Someday you'll understand just what it means when a  
man  
Comes to you with his whole heart in his hands  
Just to love you)  
You're still a young man  
Baby Oo oo don't waste your time.  
(Just to get up next to you and hold you Oh baby you  
say that  
I'm wastin my time but it's my time baby and it's  
You you you you you you you) You're still a young man,  
Baby Oo Oo Don't waste your time  
You better listen to me  
Sayin that I'm loving you yeah hey now baby tyin to tell  
You that it's you you you you you you you you talkin to  
you  
Baby, I never never never never I'll never never do you  
No wrong no no lady if you would check my stuff out
