From the city where we known, baby for what we goin

I'm the migrane in your head bumping harder and

I'm the floss hard hoe nigga that cocks the squat  
Dead smack on your face like that infrared dot  
I'm the index finger on the trigger, don't move  
Woops, saw you blink your eyes now you goin make the  
news  
If I catch you in the club and you start to trippin  
I'm the fist in brass knuckles that's goin hit your chin  
All the snitchers sitting down with the feds to yap  
I'm the loud hard chhh on the rat trap  
I'm the drama in your heart when your people get killed  
I'm the feeling in your stomach when you get your last
