Say it again,
this is disco I don't need no reason
but it's time to cut you down to size
Your feet are moving heavy and you're way too slow
To the beat pretty baby and we'll let you know
I'm so surprised that they let you out

[Chorus]
Your Super
Super fine in the disco light
now it's time to get your ride
your super
get you in before they get you out
now it's time to get your ride
because you know it's disco

Shake out tonight
stop now, here we go again
I'm not sure
you've been willing for so long
If you bring it down baby then your way too slow
well to the beat pretty baby
and we'll let you know
you gotta step it up baby
cause your way too slow
ooohhhhhh

[Chorus]
Your Super
Super fine in the disco light
now it's time to get your ride
your super
get you in before they get you out
now it's time to get your ride
because you know it's disco

Your feet are moving heavy and you way too slow
move to the beat pretty baby and we'll let you know
Your feet are moving heavy and you way too slow
move to the beat pretty baby and we'll let you know
Your feet are moving heavy and you way too slow
move to the beat, move to the beat

[Chorus]
Your Super
Super fine in the disco light
now it's time to get your ride
your super
get you in before they get you out
now it's time to get your ride
because you know it's disco
