Rambo -  
Deep in the jungle  
fighting for justice and freedom

No one can beat him  
that human fighting-machine.  
Eyes like an eagle  
a big knife and iron arrows.  
No one can catch him  
if you know what I mean -  
The strongest man I know.  
Talkin' 'bout Rambo  
he's my hero

talkin' 'bout Rambo  
my hero !

Rambo-Rambo-Rambo-

He was betrayed  
they send him out for a mission.  
To find the soldiers way-out the woods of Saigon.  
It was a trap  
yeah  
by the Russians and Americans.  
They can't believe it: he survived and he won.

The strongest man I know.  
Talkin' 'bout Rambo  
he's my hero

talkin' 'bout Rambo  
my hero !

Rambo - Rambo  
my hero - Rambo  
my hero - Rambo -
