Yes a him name the boss of crime  
Mr. Don Vito eh I  
Nobody ever yet cross him line  
Something might reach you

Throw a dollar to the shoe shine boy  
And say he's a goodfellow  
Silk ties and designer shirts  
All buttons to the collar  
Limousines, lots of greens  
For him and his harlot queen  
Sub-machines the order of his day

Because he's caught up in a family business  
Living the life of a ganster yeah  
Caught up in a family business  
No way out, no way out

Day to day it's a life of violence  
Big man him a run things  
Sworn of committed to a board of silence  
Could you imagine  
Boot legging, amrs-peddling  
Lots of plots and cons and schemes  
Gambling, the order of his day

Jah know he's caught up in a family business  
Living the life of a mafia yeah  
Caught up in a family business  
No way out, no way out

Bad example setting in the ghetto  
All the youths wanna be like Vito  
Move fast none a dem no wah move slow  
But my advise in N-O  
To be a don not for long  
Stay in low when the heat is on  
The tradition soon you got to pass it on

Because he's caught up in a family business  
Living the life of a ganster yeah

Caught up in a family business  
No way out, no way out

Jah know he's caught up in a family business  
Living the life of a mafia yeah  
Caught up in a family business  
No way out, no way out
