I'm singing for
Singing for my lady
She turn she turn my life, around yeaahh ah

This song is for
This song is for you lady
You are a queen you surely deserve my crown
So I say

You are my yes and my no
My high and my low
You are my stop and my go
You're my everything
My yes and my no
My high and my low
You are my fast and my slow
You're my everything

My one in a million
Nothing compares to your love
Compare to your love
I say
My one in a million
Nothing compares to your love
Compare to your love
Yeahhh

You are my yes and my no
My high and my low
You are my stop and my go
You're my everything
My yes and my no
My high and my low
You are my fast and my slow
You're my everything

I say I
Used to live my life down in the fastlane
All about riches, all about fame
Big time player in the cheating game
When the lion gone wild mi neva know him coulda tame

Now I need this woman she like the blood inna mi vein
Her love is like the sunshine her love is like the rain
Woman yuh tek time out to help ease my pain
Yuh truly deserve my last day

You are my yes and my no
My high and my low
You are my stop and my go
You're my everything
My yes and my no
My high and my low
You are my fast and my slow
You're my everything

My one in a million
Nothing compares to your love
Compare to your love
I say
My one in a million
Nothing compares to your love
Compare to your love
Yeahhh

Woman mi glad di day when yuh come inna mi arm
Deh deh through hurt ?
You should care so find out what a gwaan
You possess a great charm cause a yuh keep mi calm
Time get cold well a yuh keep mi warm
Whether mi inna Jamaica or up a Uncle Sam
From dust till dawn, night till morn
Woman a yuh alone turn mi on

You are my yes and my no
My high and my low
You are my stop and my go
You're my everything
My yes and my no
My high and my low
You are my fast and my slow
You're my everything

My one in a million
Nothing compares to your love
Compare to your love
I say
My one in a million
Nothing compares to your love
Compare to your love
Yeahhh
