Intro:

Bop, Bop, Bop a who a knock mi door

Verse 1:

A stranger knock my door  
Said he wanna ask I a question  
His eyes were mean and so  
I could tell he had a wicked intention  
Now I got to face this journey  
No time for my knees to be weak  
I reach for my psalms in a second  
Jah I know I'm gonna need your protection

Chorus:

Oh oh, the stranger is a ranger  
Coming to get my herb from my back yard garden, yea  
a  
Oh oh, the stranger is a ranger  
He come to get my herb from my back yard garden

Verse 2:

Looking through my key hole at his portfold  
He was the size of a brute  
Belts and buckles and boots  
License to shoot don't wanna hear the truth  
He's not a jolly good fellow  
Working for the pharaoh doing overtime for his  
pleasure  
Want the Ras to be a victim  
Want the Ras to face the boys of the system

Chorus

Verse 3:

As the pressure is mounting eh a a  
Enforcement surrounding, yeah eh  
Jah is my only bridge to cross over these troubled  
waters  
I could never be doubting, no-o  
Jah powers keep rising, eh eh  
Good gonna trample evil

Cause Jah is always there for I and I

Chorus

Verse 4:

Well the pressure still mounting, yeah eh

Enforcement closing in, oh oh

Jah is my only bridge to cross over these troubled  
waters
