HOGARTH

When eyes meet in silence
A pact can be made
A life-long alliance
That won't be betrayed
Be friendly, befriend me now
A friend is a friend
Nothing can change that
Arguments, squabbles
Can't break the contract
That each of you makes
To the death, to the end
Deliver your future
Into the hands of your friend

WOODLAND CREATURES

Be friendly, befriend me now

HOGARTH

A promise is a promise
A handshake will seal it
No amount of discussion
Can ever repeat it
Commitment forever
To borrow or lend
Deliver your future
Into the hands of your friend

BADGER

When eyes meet in silence You need a pact
A pact can be made
A life-long alliance CROW
That won't be betrayed Won't be betrayed
You need a mate BADGER
When facing the end You need a mate
What is the fate
Now facing my friend? BADGER
Facing my friend What is the fate?
What faces my friend?

HOGARTH and WOODLAND CREATURES

A friend is a friend
Nothing can change that
Arguments, squabbles
Can't break the contract
That each of you makes

To the death, to the end
Deliver your future
Into the hands of your friend
HOGARTH
Be friendly, befriend me now
