"And I Moved"

And I moved

As I saw him looking in through my window

His eyes were silent lies

And I moved

And I saw him standing in the doorway

His figure merely filled the space

And I moved

But I moved toward him

And I moved

And his hands felt like ice exciting

As he laid me back just like an empty dress

And I moved

But a minute after he was weeping

His tears his only truth

And I moved

But I moved toward him
