Selbstdarstellung

Gay Talese

Ronald Rocking

Euthenasia.

Use the words like flowing river touches

Embraces parting hard steel surfaces revealing pages

Beneath the water skin broken like ice flows

Smashed by iron bows and the back of the whale.

Communi commu communicate

Selbstdarstellung

Open hearted

Soon forgotten - never parted

Reaching leaning scratching vainly

Faces dancing locked lipped and between-thigh-secret

Briolette tears drip from frozen masks
As death-thro questions don't get asked
