Lewis/Mark Brzezicki/Jaz Lochrie)

You shone like a light to follow

Knowing I would

You graced me with a precious gift

That no one else could

Touched by your presence I surrender

You gave me a lead and I was a follower

A chance to succeed, I am a discoverer

Flame! You set me on fire

Nothing can take me any higher

I'm fueled on emotion and full of desire

Flame! Show me the way
