Give Blood
But you may find that blood is not enough
Give blood
And there are some who say it's not enough
Give blood
But don't expect to ever see reward
Give blood
You can give it all but still you're asked for more
Give blood
But it could cost more than your dignity
Give blood
Parade your pallor in iniquity
Give blood
They will cry and say they're in your debt
Give blood
But then they'll sigh and they will soon forget
So give love and keep blood between brothers
