"Gonna Get Ya"

Visit "[Gonna Get Ya](#)" on MotoLyrics.com

I'm walking Stand still

Not running Sit tight

Soft talking I'm thrilled

Not gunning By your light

Not flying Lady

I'm falling This way

Not crying Maybe

I'm calling

And I'm gonna get you anyway

I'm gonna get you anyway

Im cooking Hot me

Not raping Blue eyes

Just looking You got me

Not gaping No lies

Not chasing Lady

I'm trailing This way

Not racing Crazy

I'm walking

And I'm gonna get you anyway

I'm gonna get you anyway

I'm gonna get you anyway

By sheer persistence
I'm gonna get you anyway
Break down your resistance
I'm gonna get you anyway
Babe I'm gonna woo yer
I'm gonna get you anyway
Gill I'm gonna do yer
I'm gonna get you anyway
Athletic Boogey down
Hustle Turn back
Feel pathetic Sugar town
No muscle Soul hack
I'm jumping You move
No dancer Beside me
I'm thumping You prove
Don't get no answer
But I'm gonna get you anyway
I'm gonna get you anyway
