Free ride to the house of life

Free ride to the house of life

I work hard at my job

I save and I save

I know what I deserve

After all that I gave

You know I want that thing

You know I want that thing

Put aside a little money

Almost every day

When I think that I'm close

It just gets further away

You know I want that thing

I want that thing

Free ride to the house of life

I want that thing

Don't know if it's truth

Don't know if it's lies

I just can't be aloof

To what you advertise

You know I want that thing

I want that thing

I can't wait

Any longer to choose

If I can't get my own

Gonna have to take yourse from youze

I want that thing

I really want that thing

Free ride to the house of life-I want that thing

I wanna free ride
